Dear Parents & Carers,

The children have settled well this half term and many are making super progress with their reading, writing and maths. As always, the more you can support your child at home the faster they will progress with their learning.

To that end, we are sending home project homework for each class in addition to the usual homework they receive. The idea behind the project homework is that you engage with your child in an activity and support them in the research and creative aspects. Each class has a project related to their learning for next half term. You will have received a separate letter today detailing the homework.

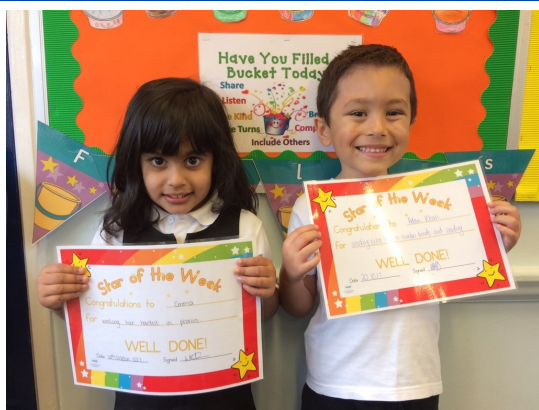

We are hoping to display the finished pieces of work in class so please ensure that these are sent in on the first day back after half term.

From all at Concordia we hope you have a lovely half term and we look forward to seeing you and your children again on Monday 30 October for the first day back

Kind regards,

Mr Raheel Akhtar
Headteacher

STAR OF THE WEEK

The star of the week in Bluebell Class is Emma. Emma has been making an incredible effort to stay focused during RWI. She pays close attention when learning new sounds on the carpet and has started working really hard to present her work neatly in her book. Keep up the hard work, Emma!

The star of the week for Sunflower class is Adam. Adam has been working extra hard on forming number bonds using three numbers and has formed some super addition sentences using number bonds. He has also been extremely focused during guided reading time, completing his independent activities to a very high standard. Adam is a fantastic role model in the Sunflower class.

ATTENDANCE

Attendance for Bluebell Class this week was 95.4%. Attendance for Sunflower Class this week was 96.3%. Well done Sunflower for being the top class for three weeks in a row!

Please remember we do not authorise holiday absences during term time.
