

Friday 29 September 2017

Dear Parents & Carers,

Building work on our permanent site continues at a good pace! Please see latest images below. The image to the left shows the foundation of the new building being put down, and the image to the right shows the building sections being built in a factory.

## STAR OF THE WEEK

Our Star of the Week in Bluebell Class is Alba! Alba has been showing great concentration in phonics, especially when we go to work in our books. This, combined with the practice that she says she does at home, means that she has made a really good effort at writing our new letter sounds beautifully. Well done Alba, keep up the hard work!

Our Star of the Week in Sunflower Class is Leah! Leah has worked very hard on improving her writing and is now writing great sentences every day. She consistently uses the writing strategies she has been taught, such as finger spacing to separate words and Fred Fingers to spell words.

Well done Leah and Alba!

## ATTENDANCE

Attendance for Bluebell Class this week was 97.25%. Attendance for Sunflower Class this week was 95.7%. Well done Bluebell for being our top class for two weeks running!

Coming to school on time every day makes a significant difference to how well children do at school. Make sure your child doesn't miss out by bringing them to school every day.

Please remember we do not authorise holiday absences in term time.

**ALL CHILDREN IN SCHOOL UNIFORM EVERY DAY PLEASE!**
