Dear Parents & Carers,

I have been very impressed with the quality of writing many of our Y1 children produced in their maths/writing homework this week. These are now on display in the classroom! There is still another week for children to return their work so we look forward to announcing the winner next week!

It was great to see everyone make such a fantastic effort for Children in Need last week. Altogether we managed to raise £84.67. Thank you to everyone that participated.

Kind Regards,

Mr Raheel Akhtar
Headteacher

STAR OF THE WEEK

The Star of the Week for Sunflower class is Safaa. Safaa has shown a very positive attitude towards all learning and she is always willing to challenge herself. She has been learning about halves of shapes and can explain why something is or isn't a half. She has also been using fantastic 'wow words' in phonics. Well done Safaa.

This week in Bluebell Class, our Star of the Week is Vilte! Vilte tries her hardest in everything that she does. During phonics, she listens carefully and uses her Fred Fingers and during activity time, Vilte makes sure that she completes every activity to the best of her ability. If an adult ever suggests a way for Vilte to make her work even better, she is always excited to make improvements.
Keep up the good work, Vilte!

ATTENDANCE

Attendance this week for Bluebell Class was 93%. Attendance for Sunflower Class was 97%. Well done to Sunflower Class for having the best attendance this week!

We will be giving out prizes at the end of this half term for the children with the best attendance, and the children with the most improved attendance over the course of the term. Top prizes include tickets for parents and child to Jump Evolution! This is truly fantastic facility in Harold Hill which has jump boards, trampolines, cage-balls and indoor play areas, amongst other activities, and makes for a great day out with your child. Check out the website below.
