

**PE and Sports Premium Funding Statement
2017-18**

Principles

As a legacy of the 2012 Olympic games, the government provides additional PE & Sport funding to sustain and improve the provision for physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they have the freedom to choose how they do this. This statement outlines how we will invest our funding. At our school we are committed to ensuring our children understand the importance of being active, having a healthy lifestyle and enjoy sports and games activities.

Deployment

Objectives
<ul style="list-style-type: none"> • Use a specialist PE teacher to work with our teachers and develop their skills and subject knowledge when teaching PE • Provide cover to release primary teachers for professional development in PE and sport • Take part in interschool competition with other schools within the Trust • Provide students with opportunities to take part in a wider variety of sports and outdoor activities which would not usually form part of a primary curriculum

The following sums are not exact but a near estimate at the time of calculations. Proposed use of Sports Premium funding for the new academic year is as follows:
