

Friday 29 March 2018

Dear Parents & Carers,

Thank you to all those parents who attended Parents' Evening this week. Your ongoing support for your child and for the school has enabled our students to make great strides in their learning and we thank you for your commitment.

Today was Ms Gallagher's last day working at Concordia Academy. The children and staff had an assembly for her and we thanked Ms Gallagher for the hard work she has put in over the last year and a half. We hope you will join us in wishing her all the best for the future.

We have had confirmation that the new school building will be handed over to us on **Tuesday 17 July**! This means that our children will start the new academic year on our superb new permanent site. As you can imagine, it will be a very busy period over the summer getting the school ready for a September opening, we will keep you informed of plans and events as we move forward.

School breaks up today for the Easter holiday, we look forward to seeing you all again on Tuesday 17 April. Happy holidays!

Kind Regards,

Mr Raheel Akhtar  
Headteacher

## ATTENDANCE

Today, we rewarded children who have 100% attendance for the spring term. These children are:

### Bluebell

Alicia, Alex, Eesa, Musa, Emma and Ilias.

### Sunflower

Rehan, Abigail, Tavia, Leah, Kia, Andrea, Antoine and Karthikeyan.

We also handed out prizes and certificates to those children who have the most improved attendance. We measure this by comparing autumn term attendance with spring term attendance. These children are:

### Bluebell

Imran, Luka and Ilias.

Congratulations to all of these children for making a special effort to come to school every day!

**ALL CHILDREN IN SCHOOL UNIFORM EVERY DAY PLEASE!**

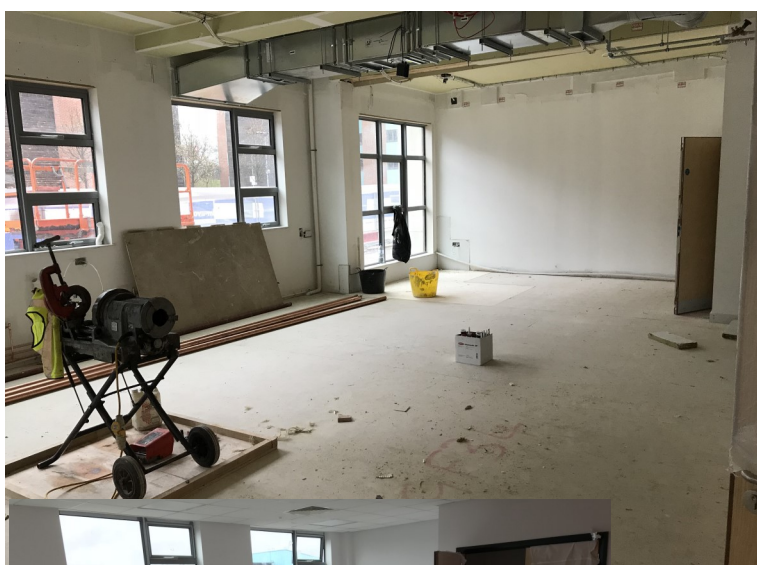

## IMAGES FROM THE NEW BUILDING

We visited the new building this week, below are some images from inside our fantastic new facility!

These are internal and external images of our new school hall. This block will also contain kitchen facilities.

Below are pictures from our classrooms. Each classroom will have a feature wall (orange wall below) where the hi-tech computer equipment, such as electronic whiteboards, will be installed.
