

Friday 9 March 2018

Dear Parents & Carers,

It's been a busy and exciting week as, in addition to usual school activities, we have had cookery workshops and World Book Day events taking place. Thank you to all parents and carers for sending children in on Tuesday ready for World Book Day. The children have really enjoyed the special events this week and we aim to keep on providing these opportunities for our children right throughout the year.

Next week, I am holding a coffee morning at Langtons Hall for our parents (see date and time on the right hand side). Please do come along as I will be sharing further information about how you can support your child at home, as well as having a general catch up with parents. Look forward to seeing you there.

Parents' Evening letters went out to all parents this week. We will be sending out appointment confirmations next week and these will be allocated on a first come first served basis.

Kind Regards,

Mr Raheel Akhtar  
Headteacher

## STAR OF THE WEEK

In Bluebell Class, our Star of the Week is Ilias! Ilias has been extremely kind and caring towards his peers this week. Any time that he has seen another child upset, he has stopped what he is doing to ask what is wrong and try to comfort them. We're all very proud of what a lovely friend you have been this week, Ilias. Keep it up!

In Sunflower Class, our Star of the Week is Leah!

Leah has shown superb perseverance and hard work all week at every task she has been asked to complete. She has set a great example for her classmates with her attitude to learning. A superb effort!

## ATTENDANCE

Attendance this week for Bluebell Class was 98%. Attendance for Sunflower Class was 97%. Well done to Bluebell Class for having very high attendance this week!

We will be handing out prizes at the end of this term for the children with the best attendance, and the children with the most improved attendance. These prizes will include children's books and cinema vouchers.

## HEALTHY EATING WORKSHOPS

Our chefs, Mark and David, came in this week to show the children how to make a couple of meals and discuss healthy eating. The children had a great time smelling vegetables, stirring noodles and making pancake rolls!

## WORLD BOOK DAY!

World Book Day was a great day for all! Staff and children enjoyed dressing up as their favourite characters and doing lots of reading related activities on the day.

We also gave out prizes to the winner and runner up in each class with the best costume. This was very hard as so many of our children had put in a super effort with their costumes! However, congratulations to Logan and Anastasia in Reception, and Nadia and Rehan in Y1 for being our prize winners this year.
