Re: Coffee Mornings at Concordia for Y1 Parents

Dear Parent or Carer

We are holding two coffee morning sessions next week for our Y1 parents. We want to use these sessions to support you with understanding and engaging with our new online homework tool (MyMaths), so all children are getting the most out of this. The sessions will take place in Langtons Hall on Tuesday 1 May at:

9.30am until 10.30am

and

4.30pm until 5.30pm

We have scheduled two sessions so working parents can also attend by coming to the after school session as opposed to the morning session. **You only need to attend one of these workshops, not both.**

During these workshops, Ms Hollows and I will be going through how MyMaths works, showing you some example activities and supporting you with addressing any issues. We would like all parents to attend one of these workshops, if we get this right then the children will have an incredibly valuable resource at home to support them with their learning in maths.

It would be great if you could bring the laptop or tablet device which your child works on at home to the workshop as this will allow us to help any parents that are not set up to get going with this.

Refreshments (including tea and coffee) will be provided for all on the day.

Do let me know if you have any questions. I look forward to seeing you all there.

Yours sincerely

Raheel Akhtar
