

Friday 27 April 2018

Dear Parents & Carers,

We are holding parent workshops on MyMaths for our Y1 parents next week (see dates to the right). It is very important that Y1 parents turn up for one of these workshops, you don't need to attend both. Please bring with you a laptop or tablet device which your child uses at home to access MyMaths. We look forward to seeing you all there.

Please remember that school is closed next Thursday 1 May for a staff training day. On the day, school staff and contractors (such as cleaning company staff, catering company staff, etc.) will be visiting the permanent site to begin preparations for our move over there. Building work continues at a good pace and we will publish any new pictures in next week's newsletter.

Kind Regards,

Mr Raheel Akhtar
Headteacher

STAR OF THE WEEK

Star of the week for Sunflower Class is Rehan. Rehan has done some super work on statistics this week, he has learned how to answer questions about block and bar graphs as well as creating block graphs of his own. He has been involved in class discussions about graphs and has been keen to share his learning. Keep up the great work Rehan.

In Bluebell Class, our Star of the Week is Alex!
Alex has been doing some great independent writing this week, he's been using his Fred Fingers and holding his sentences as well as reading his work back to check that it makes sense. He wrote a letter that was particularly impressive.
Great work, Alex!

ATTENDANCE

Attendance this week for Bluebell Class was 91%. Attendance for Sunflower Class was 98%. Well done to Sunflower Class for having the best attendance this week!

Coming to school on time every day makes a significant difference to how well children do at school. Make sure your child doesn't miss out by bringing them to school every day. Missed learning time cannot be made up and it is the children who lose out.

Please remember we do not authorise holiday absences during term time.

ALL CHILDREN IN SCHOOL UNIFORM EVERY DAY PLEASE!
