

## PE and Sports Premium Funding Evaluation 2017-18

### Principles

As a legacy of the 2012 Olympic games, the government provides additional PE & Sport funding to sustain and improve the provision for physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they have the freedom to choose how they do this. This statement outlines how we will invest our funding. At our school we are committed to ensuring our children understand the importance of being active, having a healthy lifestyle and enjoy sports and games activities.

### Deployment

Objectives
<ul style="list-style-type: none"><li>• Use a specialist PE teacher to work with our teachers and develop their skills and subject knowledge when teaching PE</li><li>• Provide cover to release primary teachers for professional development in PE and sport</li><li>• Take part in interschool competition with other schools within the Trust</li><li>• Provide students with opportunities to take part in a wider variety of sports and outdoor activities which would not usually form part of a primary curriculum</li></ul>

The following sums are not exact but a near estimate at the time of calculations. Proposed use of Sports Premium funding for the new academic year is as follows:

Use of funding	Total amount of funding allocated	Impact
Hiring specialist PE teacher, including lunchtime sports activities by PE teacher once a week	£2,232	<ul style="list-style-type: none"><li>• Pupils have improved their key skills because of higher quality PE lessons</li><li>• Increased participation and greater success in competitive sports - Y1 came first in their cluster inter-school competition</li><li>• Dramatic improvement in the learning of team games skills, as reported by PE Coordinator</li></ul>
Providing cover to release primary teachers for professional development in PE and sport	£1,832	<ul style="list-style-type: none"><li>• Staff audit of PE skills highlighted improved levels of teacher confidence</li><li>• Staff confidence in teaching key skills has improved, resulting in high quality PE lessons being delivered across year groups</li></ul>

Teaching Resources to help teachers to teach PE and sport	£700	<ul style="list-style-type: none"><li>• New resources have excited pupils, resulting in greater pupil engagement and participation both in PE lessons and lunchtime activities</li><li>• Improved and enlivened teaching of team sports in Y1</li></ul>
PE trips and opportunities for children throughout the year, including activities during Healthy Eating Week	£3,500	<ul style="list-style-type: none"><li>• Pupils enthusiasm and motivation has improved with participation in dance performances, healthy eating workshops and inter-school competitions</li><li>• The availability of a wider variety of sports (including dance) has inspired children and developed their interest in other sports</li></ul>
<b>Total expenditure</b>	<b>£8,264</b>	
<b>Total income</b>	<b>£8,125</b>
