

PE and Sports Premium Funding Statement 2018-19

Principles

As a legacy of the 2012 Olympic games, the government provides additional PE & Sport funding to sustain and improve the provision for physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they have the freedom to choose how they do this. This statement outlines how we will invest our funding. At our school we are committed to ensuring our children understand the importance of being active, having a healthy lifestyle and enjoy sports and games activities.

Deployment

Objectives
<ul style="list-style-type: none"> • Take part in inter-school competition with other schools in the Havering Sports Collective • Develop opportunities for children to be taught by specialists, especially in dance instruction • Establish an enjoyment of physical activity within children by providing them with a wide variety of PE equipment, and encouraging healthy competition in games during PE and at lunchtime • Continue to develop children's understanding of health and nutrition, supporting them to making healthy choices

The following sums are not exact but a near estimate at the time of calculations. Proposed use of Sports Premium funding for the new academic year is as follows:

Use of funding	Amount allocated	Intended outcomes
Havering Sports Collective	£1,200	<ul style="list-style-type: none"> • To enable children to participate in sporting competitions and to develop skills in these areas • To maximise on staff training opportunities to ensure teachers are fully equipped to deliver high quality PE lessons. • To give opportunities to network with other schools and develop links with other agencies.
Hire a professional PE coach and dance teacher	£5,285	<ul style="list-style-type: none"> • To deliver high quality PE lessons to help pupils achieve their personal best. • To provide additional sports provision to more vulnerable groups, including SEN pupils • To further develop pupils dance skills in order to ensure greater participation in non-competitive physical activity.

Purchase new equipment and resources (new lunchtime equipment and trophies and medals)	£9,000	<ul style="list-style-type: none">• To ensure lessons are sufficiently resourced in order to maximise on full pupil participation.• New equipment in the playground motivates children to actively participate in games and physical activities, thus increasing pupil fitness and well-being.• The use of medals and trophies to motivate and excite children to enter into competitive sport.
Healthy eating workshops with specialists, and establish an after school cookery club with a focus on nutrition	£1,500	<ul style="list-style-type: none">• To develop healthy children who have a good understanding of healthy foods, and why we should eat them• Familiarise children (and parents) with a wide variety of different, nutritious foods and how they can be made into tasty meals
Total expenditure	£16,985	
Total income	£16,240
