Dear Parents & Carers,

Happy New Year and welcome back!

As mentioned before we broke up for Christmas, there have been a few staff changes this term. Ms Black and Ms Dawkins have moved up into Year 2 and are now teaching Poppy Class. Ms Yates and Ms Pettigrew have joined Mrs Lloyd in Reception. Ms Courtney will also be starting in Reception on Monday so when you see her, please offer a warm welcome.

Despite all of the changes, the children have settled back into their routines very quickly and are off to a flying start for 2019.

It has been brilliant to see the number of projects that have been returned this week. They continue to be of a really high standard and we would like to thank all of the parents who have supported their children in making these.

We look forward to announcing the winners in next week's newsletter.

Kind regards,

Mr Raheel Akhtar
Headteacher

STAR OF THE WEEK

Star of the week for Bluebell Class is Clara. She has been working very hard at completing all the activities set around the classroom. Clara challenges herself by adding writing to her work. This week she has strived to complete her rainbow chart every day. Well done Clara!

Star of the week in Sunflower Class is Ilias. This week we have been learning all about 3D shapes and their properties this week. Ilias did a fantastic job of finding and counting parts of a variety of 3D Shapes and was also able to explain some similarities and differences between 3D shapes. Top work Ilias!

Star of the Week in Poppy Class is Karthikeyan. He showed real enthusiasm and effort in our topic lessons this week as we learned about the different types of castles throughout the ages. Keep it up, Karthikeyan!

ATTENDANCE

Attendance for Bluebell Class this week was 93.5%. Sunflower Class had attendance of 92.8%. Poppy Class had attendance of 97.5%. Well done to Poppy Class for having the best attendance this week.

We will be handing out prizes at the end of this term for the children with the best attendance, and the children with the most improved attendance. These prizes will include children's books and cinema vouchers. Details of the winners will be in the last newsletter in December. Please do your best to get your child in to school every day between now and then!

Coming to school on time every day makes a significant difference to how well children achieve at school.
