Dear Candidate,

Thank you for your interest in this role within the REAch2 Academy Trust.

This is a hugely exciting time for our family of schools. The Trust has been recognised by the Department for Education as being well placed to raise standards and achieve excellence for pupils in a growing number of schools nationwide. We are presented with a rare opportunity to make a real difference to the lives and life chances of so many primary school children – many of whom haven't previously received the educational opportunities they deserve.

The Trust has academies based all across England and includes schools at various stages of development, from those requiring significant improvement through to existing outstanding schools. As a Trust we are clear about the importance of achieving long term sustainability for our schools. Our vision is to enable individual academies to flourish with real autonomy, whilst also ensuring a strong ethos of support and collaboration across our schools.

Teachers within REAch2 belong to a national community of professionals, and benefit from a wide range of networks and development opportunities across the Trust. In time, our best teachers are able to work across schools, develop specialisms and step up to leadership roles within and beyond their own academy. The Trust provides a strong culture of collaboration and support, together with high expectations for staff and pupils alike.

Those we recruit are able to demonstrate that they share our values, are highly motivated to work with colleagues within and beyond their school to continuously develop their skills and pursue professional excellence, and are committed to providing the highest standards of teaching for all children. If that is you then we would be delighted to receive your application.

Background on REAch2

Founded in 2012, REAch2 Academy Trust is the largest primary-only academy trust in the country. We are a growing charitable organisation currently supporting over 50 primary academies across England.

We are a family that delivers school to school improvement, going the extra mile for all our children. We are passionate about dispelling the myth that only certain children are able to achieve.

With extensive school reform and proven educational excellence in our core staff, REAch2 set a mission: to help struggling schools to improve their provision and to offer outstanding education to our pupils, from disadvantaged or deprived communities. The drive was not to grow an empire of schools, but rather the compulsion to share our proven approach to sustained school improvement for the benefit of children and their communities.

But REAch2 is about so much more, offering a richness of experience that gives real colour throughout the time our children spend with us.

Schools, staff and children within the Trust benefit from a strong ethos of support and collaboration across the REAch2 family. Teachers within REAch2 belong to a national community of professionals, and benefit from a wide range of networks and development opportunities.

Our Cornerstones and Touchstones

REAch2 is the Cornerstone of the entire Trust: providing a strong, responsible foundation from which every Academy develops and grows. A cornerstone provides a subtle yet paramount role in a building and ensures that REAch2 is trustworthy, reliable and inspirational organization, delivering the best possible learning experience.

What gives each REAch2 Academy its uniqueness are the touchstones of the Trust seven principles, which make our Academies distinctive. Just as 500 years ago, touchstones were used to test the quality of the gold they marked, so too our touchstones are used to express values and ethos of the Trust. They describe what the Trust wants to be known for and how it wishes to operate.

What are these Touchstones?

Children and adults will flourish in REACH2 academies: academically, emotionally, physically and spiritually so that all dimensions of humanity are nurtured.

We notice talent and spot the 'possible' in people as well as the 'actual'; Developing potential within in our Trust becomes a realization that there is a future worth pursuing for everyone.

Children deserve enjoyment in their learning and the pleasure that comes from absorption in a task and achieving their goals. Providing contexts for learning which are relevant, motivating and engaging, will release in children their natural curiosity, fun and determination.

Inspiration breathes energy and intent into our schools: through influential experiences of people and place, children are compelled to believe that no mountain is too high and that nothing is impossible.

REACH2 serves a wide range of communities across the country and we celebrate the economic, social, cultural and religious diversity that this brings: embracing inclusion ensures that we are a Trust that serves all, believing that everyone can and must succeed.

You can learn more about the touchstones, and hear from staff and pupils across REACH2 schools, at our website: www.reach2.org
