Dear Parents & Carers,

Reception Maths Workshop

We have decided to postpone the Reception maths workshop which was scheduled for Monday 25 March due to the high number of workshops and parent events we have delivered recently. We will reschedule this and get the new date out to you soon.

Healthy Lifestyles

At Concordia Academy, we are keen to promote healthy lifestyles, and that includes travel to and from the Academy. We are committed to improving the health and wellbeing of all members of our community. We are aiming to reduce the number of cars used to take children to and from school each day. This will not only improve the health of our pupils, but also reduce the level of pollution and congestion in the surrounding area and hopefully make the roads safer. If you can find an alternative method of travel, even once a week, this helps towards creating a happier and healthier London.

Kind regards,

Mr Raheel Akhtar
Headteacher

STAR OF THE WEEK

Star of the week in Bluebell class is Hawwa. Hawwa has been exploring the activities around the classroom and challenging herself to do her best in all areas. She has been joining in with her peers through discussions and her vocabulary is growing daily. Great job Hawwa!

Star of the Week in Sunflower Class is Kainat. This week Kainat has impressed all her teachers with her focus in Phonics and Maths. She has been showing excellent concentration and manners in lessons and making a super effort to complete work independently. Great work Kainat!

Star of the Week in Poppy Class is Joshua! Joshua's behaviour in class this week has been excellent. Since the start of the term, he has been making better and better choices and has become a role model within the class. Well done, Joshua!

ATTENDANCE

Attendance for Bluebell Class this week was 99.3%. Sunflower Class had attendance of 93.5%. Poppy Class had attendance of 100%. Congratulations to Poppy Class for having the best attendance this week with 100%! This is a super effort by all in Y2!

Coming to school on time every day makes a significant difference to how well children achieve at school. Good attendance at school is one of the key indicators of educational success for a child throughout their school life, so make it a priority to get your child to school every day. Please remember that we do not authorise holidays during term time.
