Dear Parents & Carers,

Waterloo Road Crossing

We have received further communication from Councillor Viddy Persaud regarding the installation of a pedestrian crossing on Waterloo Road. As you are aware, we have been requesting a crossing for quite some time, and works were scheduled to take place next week to install a crossing.

Unfortunately, these works have now been postponed and rescheduled to commence on or around W/C Monday 13th January 2020. The councilor has communicated that they believe that this will be a quieter time following the Christmas and January sales rush, and therefore disruption should be much less apparent to residents and visitors. We will keep you informed of further updates, hopefully these works will go ahead in January as scheduled.

School Photos

School photos are taking place next week on Tuesday for all classes. Please ensure that your child comes to school in full school uniform. Children will be having individual photographs, as well as photos with their brother or sister if they have one at the school.

Children in Need Day

Children in Need Day is next Friday! It is non-uniform day and children should come to school wearing something spotty, along with a minimum of a £1 donation which will be given to charity.

Kind regards,

Mr Raheel Akhtar
Headteacher

ATTENDANCE

| Class Name | Weekly Attendance |
|------------|-------------------|
| Bluebell | 97.7% |
| Daisy | 90% |
| Sunflower | 97.4% |
| Poppy | 97% |
| Carnation | 98.4% |

Congratulations to Carnation Class who are our attendance award winners this week! We award a rosette to the winners in assembly each week, and the winning class at the end of the term receives a prize.

Coming to school on time every day makes a significant difference to how well

children achieve at school. Good attendance at school is one of the key indicators of educational success for a child throughout their school life, so make it a priority to get your child to school every day. Please remember that we do not authorise holidays during term time.

STAR OF THE WEEK

Star of the Week in Bluebell Class is Zakaria! Zak produced some superb independent writing during our literacy task. Using his Fred Fingers, Zak managed to use rhyming words to describe one of the alien characters from our book of the week, 'Aliens Love Underpants'. Fantastic work, Zakaria!

Star of the week in Daisy Class is Ismail! Ismail works very hard during his independent play. He completes all of the classroom activities to earn a Rainbow Dojo each day. Keep up the great work, Ismail!

Star of the week in Sunflower Class is Milad! Milad has been consistently challenging himself when completing his number grid each day. He has been working on writing in steps of ten and is now writing well beyond 100 which is exceptional. Keep up the great work, Milad!

Star of the Week in Poppy Class is Ilias! He always uses full sentences and clear explanations when explaining how he calculated an answer to a maths problem. Keep it up, Ilias!

Star of the Week in Carnation Class is Daisy-Mae! Daisy-Mae has been working hard in class and has been very helpful to others. Well done Daisy-Mae, Keep it up!

Y3 TRIP TO ROMFORD MEMORIALS

This week, Year 3 have been on a school trip to Romford to visit the local memorials at St. Edwards Church and the Romford Cross. Jim Bolton, a local historian, spoke to the children about the World War 1 memorial plaque on the church walls, documenting some local soldiers who sadly lost their lives in the Great War. Jim kindly passed around a soldiers sweet tin that belonged to his father in the great war (you can see this below).

We then visited the Romford Cross and had a class discussion about the importance of memorials and Remembrance Day. It was a very informative day and the children learned a lot about British History during WW1.
