

**PE and Sports Premium Funding Statement  
2020-21**

**Principles**

As a legacy of the 2012 Olympic games, the government provides additional PE & Sport funding to sustain and improve the provision for physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they have the freedom to choose how they do this. This statement outlines how we will invest our funding. At our school we are committed to ensuring our children understand the importance of being active, having a healthy lifestyle and enjoy sports and games activities.

**Deployment**

Objectives
<ul style="list-style-type: none"> <li>• Provide opportunities for children to receive specialist PE instruction</li> <li>• Develop teaching of PE for new members of staff through the support of a specialist PE teacher</li> <li>• Increase the amount of PE that children are participating in during the week</li> <li>• Provide opportunities for children to compete in inter-school competitions</li> <li>• Provide pupils with opportunities to take part in a wider variety of sports and outdoor activities which would not usually form part of a primary curriculum, inspiring interest and aptitude in a range of disciplines</li> <li>• Continue to develop children’s understanding of health and nutrition, supporting them to making healthy choices</li> </ul>

The following sums are not exact but a near estimate at the time of calculations. Carry-over funding from the previous academic year is £12,965 and will be spent by 31 March 2021. Proposed use of Sports Premium funding for the new academic year is as follows:

Use of funding	Amount allocated	Intended outcome
Hire a specialist PE teacher	£22,000	<ul style="list-style-type: none"> <li>• Lunchtime multi-sports clubs/provision for all year groups from Reception to Y4, increasing time children spend engaged with PE</li> <li>• Children develop skills and knowledge in a range of sports and physical activities, thereby also developing their fitness and well-being</li> <li>• Spring and Summer sports days led by PE specialist to increase time children are engaged with PE, and to develop children’s passion and engagement with PE and sports</li> <li>• PE specialist to develop a school football team and enter them for inter-school competition</li> <li>• New teachers to develop their teaching of PE through peer observation, team teaching, 1:1 and whole school CPD. As a result, new teachers make good progress in the delivery of the PE curriculum including effective pitch, differentiation for least able pupils and building in challenge for more able pupils.</li> </ul>

Develop a partnership with Havering Sports Collective	£1,800	<ul style="list-style-type: none"> <li>To enable children to participate in sporting competitions and to develop skills in these areas</li> <li>To maximise on staff training opportunities to ensure teachers are fully equipped to deliver high quality PE lessons.</li> <li>To provide opportunities to network with other schools and develop links with other agencies.</li> </ul>
Set up after-school sports clubs to be run by specialist coaches	£2500	<ul style="list-style-type: none"> <li>Children are given opportunities outside of the school curriculum to develop an interest and passion for sports and competition</li> <li>Children are given opportunities to develop an interest in a range of sports, including Football, Karate and Netball</li> <li>Children to participate in sporting competitions with other schools and teams</li> </ul>
Purchase PE resources to help teachers to teach PE and sport	£650	<ul style="list-style-type: none"> <li>Children have access to a range of sports equipment during lessons which helps to develop their skills and knowledge</li> <li>Purchase football kit and equipment for children to wear during sporting competition, thereby encouraging healthy competition and developing their understanding of sporting identity</li> </ul>
Provide a range of coaches and activities during our Keeping Healthy Week.	£2,200	<ul style="list-style-type: none"> <li>Children to show a good understanding of healthy eating, and to develop their skills in a range of sports and activities</li> <li>Packed lunches evidence improvements in the choices of children and parents which support the children in their learning activities</li> <li>Launch new Healthy Eating Schools initiative, including parent workshops, to develop better diets and knowledge of healthy eating</li> </ul>
To set up and run an in-school athletics competition for KS1/KS2, aided by Team GB	£1000	<ul style="list-style-type: none"> <li>Children learn a variety of skills and the value of healthy competition</li> <li>Children show attributes associated with competitive sport, including team-work, passion, and leadership</li> </ul>
<b>Total expenditure</b>	<b>£30,150</b>	
<b>Total income</b>	<b>£29,845</b>
