Dear Parents/Carers

Half Term and Covid19

Firstly, we would like to thank you all for your support and cooperation during a strange and challenging time. We understand the effect the current situation has had on parents and children alike and we appreciate the 'community spirit' you have shown when dealing with the issues we have faced.

As you know, the school is closing for half term tomorrow, Friday February 12th 2021 and will re-open to pupils on Monday February 22nd 2021. During this period there will be no presence within the school office and no 'live' communication on the school social media pages. With that being said, we do need to keep in touch especially with regards to reporting positive Covid19 cases and possible symptoms. In order to manage this we have created the following form [Click Here](#)

Please only complete the form to report any positive cases/symptoms or need to isolate.

You can also still send emails to info@concordiaacademy.co.uk but these will not be picked up until Monday 22nd January 2021.

Please remember we are in a National Lockdown and Stay at Home rules apply. You can read the rules [here](#)

If you have symptoms that might be coronavirus you should isolate immediately and book a test. Please read the [information on the NHS test webpage](#) and follow the booking link on that page to book a test.

The booking system will show the closest testing site to you today or tomorrow depending when you log on. If you can't get to a testing centre by car or on foot you can always order a home test but either way, get tested as soon as possible.

Local test sites are run by Serco for the Department of Health and Social Care. We have no say in the running of test sites and cannot book you a test.
