

Friday 12 March 2021

Dear Parents & Carers,

It has been wonderful to have all of the children back at school this week! We have had a great first week back, rounded off with a happy and eventful World Book Day.

The children have settled back into school life very quickly, and all of my staff and I are delighted to have them back. Over the coming weeks and months, we will be doing all we can to address the gaps in learning the children have developed over the course of this disrupted year. Your support in this will be crucial, starting with children completing their usual homework this weekend.

We usually have a Parents' Evening at this time of year, but due to lockdown school closure we will have our next one in the Summer Term. By this time we will have much more information to share with you about your child's progress.

Next Friday, we are celebrating Red Nose Day! Please ensure that your child comes in to school dressed in something red, with a £1 donation which will go to charity.

In the meantime, I wish you a lovely weekend.

Kind regards,

Mr Raheel Akhtar
Headteacher
