Monday, 19 April 2021

Dear Parents/Carers,

Welcome back to another school term.

We would like to inform you about our curriculum plan for the next half term. Year 3 will be learning about **Romans** as their topic focus this term.

Subject	Content
Maths	Topics we will be covering include statistics, addition and subtraction and problem solving using multiplication and division. We will also be practicing our 3, 4 and 8 times tables and their associated division facts. Year 3 will be using the Effective Maths programme to continue our learning into this term.
English	The children will be following the RWI and Literacy & Language programmes. Your child will be working in a group specific to their reading and writing needs so that they are challenged and taught appropriately and able to make excellent progress. Children will also be learning a different grammar and punctuation focus each week.
PE	Consolidating core physical development skills. Children will be practicing Dance this term.
Wider Curriculum	As part of the wider curriculum, we will be looking at Romans and learning about the legacy of the Roman Empire. In RE, we will be studying Islam and The Hajj. In PSHE, our focus will be We are Family where the children will develop skills such as dealing with difficulties in friendship and trusting the right people.

Homework:

Subject	Content
Reading	All children in Year 3 are currently reading using the RWI and Literacy & Language programmes. You can support your child at home further by reading at home with them for at least 30 minutes every day . The reading books will be changed on a weekly basis. When you read with your child please write a comment in their reading record book.

School email: info@concordiaacademy.co.uk

	In Year 3, children should be reading 90-120 words per minute so do encourage children to read with as much speed and expression as possible. You can still encourage your child to sound out unfamiliar words when necessary. <u>Reading book changes</u> <u>Friday</u>
Maths	Please support your child to learn their 3, 4 and 8 times tables, and associated division facts. Using Maths in everyday situations will help your child to learn. Ask them to read the time, how much change they should get when buying small items etc.

For health and safety reasons it is very important that your child has a PE kit in school, please ensure that your child has their named PE kit.

PE kits will be kept in school and sent home at the end of each half term unless you request otherwise.

We are looking forward to a great term ahead. If you have any questions regarding your child's learning, please don't hesitate to ask.

Yours sincerely,

Miss Woodgate
