

**PE and Sports Premium Funding Statement
Evaluation 2020-21**

Principles

As a legacy of the 2012 Olympic games, the government provides additional PE & Sport funding to sustain and improve the provision for physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they have the freedom to choose how they do this. This statement outlines how we will invest our funding. At our school we are committed to ensuring our children understand the importance of being active, having a healthy lifestyle and enjoy sports and games activities.

Deployment

Objectives
<ul style="list-style-type: none"> • Provide opportunities for children to receive specialist PE instruction • Develop teaching of PE for new members of staff through the support of a specialist PE teacher • Increase the amount of PE that children are participating in during the week • Provide opportunities for children to compete in inter-school competitions • Provide pupils with opportunities to take part in a wider variety of sports and outdoor activities which would not usually form part of a primary curriculum, inspiring interest and aptitude in a range of disciplines • Continue to develop children’s understanding of health and nutrition, supporting them to making healthy choices

The following sums are not exact but a near estimate at the time of calculations. Carry-over funding from the previous academic year is £12,965 and will be spent by 31 March 2021. Proposed use of Sports Premium funding for the new academic year is as follows:

Use of funding	Amount allocated	Impact	Sustainability/next steps
Hire a specialist PE teacher	£22,000	<ul style="list-style-type: none"> • All of our class teachers had the opportunity to work with our specialist sports coach to develop their skills in teaching physical education. Observations evidenced a wide range of skills and techniques being shared and modelled with teachers showing increased confidence in teaching key skills in these areas and teaching from our school curriculum • Lunchtime multi-sports clubs/provision for all year groups increased the time children spent engaged with PE. 	<ul style="list-style-type: none"> • Continue to work with the sports company to deliver high quality PE lessons, and source football specialists to lead an after-school football club. • PE teacher and PE lead to ensure inter-school sports competitions take place in 2021-22

Develop a partnership with Havering Sports Collective	£1,800	<ul style="list-style-type: none"> This funding was reallocated to Sports Week (in the Summer Term) due to Covid disruption with local sporting competitions. Children engaged with a variety of sports during Sports Week such as archery, zorb football, street dance and fencing. 	<ul style="list-style-type: none"> Continue partnering with local schools/organisations for sports competitions.
Set up after-school sports clubs to be run by specialist coaches	£2500	<ul style="list-style-type: none"> Did not happen due to Covid disruption. 	<ul style="list-style-type: none"> Money carried over into next academic year.
Purchase PE resources to help teachers to teach PE and sport	£650	<ul style="list-style-type: none"> Teachers taught good quality lessons using purchased equipment Lunchtime provision evidenced that children were engaged in regular outdoor activities, using a range of purchased resources. 	<ul style="list-style-type: none"> PE Lead to ensure that teachers are aware of and using key equipment throughout the teaching of topics
Provide a range of coaches and activities during our Keeping Healthy Week.	£2,200	<ul style="list-style-type: none"> Did not happen due to Covid disruption. 	<ul style="list-style-type: none"> Money carried over into next academic year.
