Re: KS1 SATS Study Booklets for Y2 Parents

Dear Parent or Carer

At the Y2 Parent Workshop, many of you requested guidance on the study guides to purchase to support your child at home with their learning, and to prepare them for the Key Stage 1 SATs taking place later in the year. The following web-links will take you to study guides for Y2. All are from a company called CGP and are widely used in schools. You can order these online, or purchase these from all good bookshops, including Waterstones and WHSmith.

Maths and English Study Guides Bundle:

https://www.cgpbooks.co.uk/School/books_ks1_maths.book_EM2B11

Mental Maths Study Guide: https://www.cgpbooks.co.uk/School/books_ks1_maths.book_MPMA12

Times Table Study Guide: https://www.cgpbooks.co.uk/School/books_ks1_maths.book_MPTT12

These guides should be used over the next few months and not completed all at once, with children given time to learn and relearn the concepts, as well as practise answering questions more than once where necessary.

Please do get in touch if you have any questions.

Yours sincerely
