

Friday 2 October 2020

Dear Parents & Carers,

Hot lunches

Good news! From Monday, hot lunches will be available again for all children having a school dinner. Children in Y1-Y4 that are having lunch in class will be served hot school dinners in disposable containers, Reception will be served lunch in the hall as per usual. You can find the menu on our school website.

Labelling school uniform

Please ensure that you have put your child's name on the inside label of all school uniform—jumpers, cardigans, polo shirts, PE t-shirts, PE shorts, coats. Your child's book bag or bag should also have the name clearly labelled. Children do sometimes misplace things and they are much easier to find if uniform has been labelled.

Halloween Dress-Up Day

We are inviting all the children to take part in Halloween Dress-up Day on Friday 23 October 2020. Children will need to bring in a £1 donation on the day. There will be a prize on the day for the most creative costume!

Kind regards,

Mr Raheel Akhtar
Headteacher

HEADTEACHER AWARDS

We have two Headteacher Awards in Sunflower Class this week for writing. Caiya did some tremendous writing with her group. She wrote about the lifecycle of a butterfly and used the word 'transforms' to explain how the eggs change into a little caterpillar. Anvi produced some lovely writing this week in her phonics group. She used a simile in her writing to explain that the goose was 'as strong as a brick in a tower'. Lovely work girls!

Felicia is always trying her best in all her lessons! This week Felicia has shown great partner work in maths and has supported her peers in their learning. Well done Felicia, keep it up!

This week, Anyla and Amina completed a special maths investigation where they sorted coins from the biggest to smallest amounts. Both the girls worked really hard and completed their task straight away. They then individually helped the remaining two groups, by asking questions and checking their friend's understanding. Super hard work and helping girls!

Carnation Class Headteacher Award is for Vilte! Vilte has shared her ideas on emotions clearly during our RE lesson this week whilst looking at the story of Ruth and Naomi.

Mason has made an outstanding effort this week with his writing and has shown real dedication to incorporate all language features. Mason has also impressed many teachers with his improvement in handwriting!

ALL CHILDREN IN SCHOOL UNIFORM EVERY DAY PLEASE!

STAR OF THE WEEK

Star of the Week in Daisy Class is Faith! Faith has been doing super writing during independent activity time. She is always trying her best at the classroom activities.

Star of the Week in Buttercup Class is Ava-Isabella! Ava-Isabella has been trying her best to complete her rain-bow by doing all the activities set around the class room. Keep up the great work, Ava-Isabella!

Star of the Week in Bluebell Class is Eron! Eron has worked extremely hard to form his letters correctly during our daily phonics lessons. His pencil grip and control continue to improve each day. Keep up the wonderful work, Eron. Well done!

In Daffodil Class, our Star is Sarim! Sarim has settled in well at Concordia. During Maths, he has produced some outstanding work and participates well in class discussions. Well done Sarim, keep it up!

Star of the Week in Sunflower Class is Karam. Karam has been working extremely hard in Maths and trying extra hard to answer lots of questions. He also shows a positive and excited attitude towards all learning. Great work Karam.

The Star of the Week in Poppy Class is...Viaan! Viaan has been making a great effort in Literacy this week by pretending to be a character in a story and creating detailed answers to questions. Well done Viaan!

In Carnation Class, Ms Woodgate's Star of the Week is Shrihan. Shrihan is always focused and ready for his learning. He shares his ideas clearly with the class in all subjects.

Richie Smith is the Star of the Week in Orchid Class! He has been showing an outstanding attitude to both his English and Maths work this week. Richie has worked incredibly hard to up-level his vocabulary choices to make his setting description capture the reader's interest!

Well done to all of stars this week!

CURRICULUM CORNER—Y4

Over lockdown, Year 4 were asked to research into the Anglo Saxons. The children came back to school in September with outstanding projects and fact-files. On Thursday afternoon, the children had the opportunity to decode the Futhork Alphabet. The letters were called runes, which is made up of straight lines, as it made it easier to carve them onto wood, stone or metal. The children then had the opportunity to write a letter to their friends, family or teacher! See if you can work out what they say for yourself.

Well done Orchid Class!
