Dear Parents & Carers,

Eat Them To Defeat Them

This year we will be taking part in the ITV campaign 'Eat Them To Defeat Them'. The campaign will start on the 28th February 2022 and run for 5 weeks until April 1st. This campaign uses advertising to encourage school children to eat more vegetables so it will be great for our children to take part. Details of the campaign can be found on our social media. Please encourage your children to take part.

Today is the last day of term. School will resume for all children on Tuesday 22 February at the usual time.

We hope you all have a good week and look forward to seeing you all again after the break.

Kind regards,

Mr Raheel Akhtar
Headteacher

CURRICULUM CORNER—YEAR 4

This week, we have been learning about the history of the NHS and the different types of jobs within the NHS. We discovered that there are over 350 roles that range from doctors and surgeons to cleaners, chefs and security guards. We explored the roles that we think we might want to do and the skills that would be needed for that job. After doing so, we discussed the difficulties many roles face and therefore, wanted to say a thank you to all staff within the NHS for their hard work.

We also discussed Safer Internet Day on Tuesday 8th February and the possible dangers of using the internet. We thought about the ways that we use our phones, tablets and computers and what it means to stay smart when doing so.
