Dear Parents/Carers,

In order to meet our commitment to providing excellent PE provision to our students, we will, on occasion, be using Jubilee Park for PE lessons and club events throughout the year.

In order to make this work successfully, we politely ask that you refrain from speaking to students whilst they are in Jubilee Park during these sessions. This includes coming up to speak to your own child who may be participating in the lesson. We will inform the children that they are in a lesson and that they need to be focused on what they are doing/learning.

These measures ensure the safety of all pupils under our care and helps the teacher to focus on the lesson rather than on keeping children on track because they are being distracted by family members or other adults they know.

Students will still be dismissed from the playground as usual after the PE lesson or club session has ended, and not from Jubilee Park. This will avoid any confusion and ensure that the teacher can dismiss safely.

The above measures will help us to keep your children safe and learning, your support in this matter is appreciated.

We thank you in advance for your cooperation.

Yours sincerely,

Concordia Academy
