Dear Parents/Carers,

RE: Sun Safety

It is important that our children are safe and protected outdoors during hot weather, and to that end we have outlined the following guidelines:

- Make sure children have sun cream applied before school. Children are not allowed to bring sun-cream to school, please speak to the school office if you have any questions about this.
- Supply children with a sun-hat for break times should they require one.
- Ensure children have a bottle of drinking water with them. No juice or flavoured water is allowed on school premises.

We would also like to remind parents that children are not permitted to wear sandals or any open-toe footwear to school and should continue to wear school shoes throughout the day.

Children are permitted to wear summer school uniform, for more details about this please go to our website or contact the school office. Please ensure that your child doesn't come to school overdressed (in jumpers and cardigans) during the current heatwave.

Yours sincerely,

Concordia Academy
