ATTENDANCE

The class with the highest attendance percentage at the end of each term will receive a special prize. Coming to school on time every day makes a significant difference to how well children achieve at school. Good attendance at school is one of the key indicators of educational success for a child throughout their school life, so make it a priority to get your child to school every day.

Please remember that we do not authorise holidays during term time.

CURRICULUM CORNER– MAGNOLIA CLASS

During our art lessons we have been exploring installation art. We studied the work of Chinese artist Cai Guo-Qiang, and planned our own micro installations inspired by his ideas. We worked in groups on our installations, deciding what we wanted the message of our artwork to be and the best techniques to use. Then we created our installations in boxes, using paint, paper, glitter and other media. Finally, we evaluated our own and others' work to decide how effectively we had conveyed our intended messages.

BLACK HISTORY MONTH

The children had an amazing time celebrating Black History Month! They made carnival hats and masks, and wore traditional outfits from countries all over the world. The children had an assembly with their class where they learnt about the reason why we have Black History Month and where it originated. In the afternoon, they took part in a carnival with their class with snacks and good music! It was lovely to see all of the wonderful traditional outfits, and learn about the different colours in the flags that were being represented across the school.
