Dear Parents & Carers,

Attendance at school is crucial for children's academic success at school. If they do not attend school then they will miss out on learning. Please ensure that you get your child to school every day, and speak to our Attendance Officer (Ms Smith) if there are any issues.

Children in every year group from Y1-Y6 now receive weekly homework. Parents should ensure that their children complete the weekly homework and hand it in on the designated day. Reading at home is a vital skill that all children should be engaged in every day so please support your child with this regularly.

Have a good weekend, all.

Kind Regards

Mr Akhtar  
Headteacher

## CURRICULUM CORNER

This week, children in Year 1 created a piece of artwork inspired by the artist Zaria Forman. The children listened to a calming piece of music and created a piece of work with their partner. They used different drawing materials such as oil pastels, colouring pencils and crayons to make long, flowing lines that represent water.

The children thought carefully about the marks they were going to make to represent what they were hearing. The children also added sea creatures to their pieces of artwork.
