

**Friday 24 November 2023**

She has been a part of the school since the very beginning in 2016, ensuring that year after year the children of Concordia are well looked after and receiving a high standard of education. She will be missed by all and her loss will be felt at the school. Ms Black's last day with us will be Tuesday 19 December.

Kind Regards

Mr Akhtar  
Headteacher

## CURRICULUM CORNER- YEAR 2

During our Geography lesson this week, we learnt about the countries in the United Kingdom and we labelled them on a map. We also learnt about their capital cities and surrounding seas!

During Literacy this week, we have been making some important posters to try to help animals at risk of extinction. We created posters to try to stop poachers, tree cutters and bamboo cutters from destroying animal habitats!

## MILES THE MOLE

Year 5 were visited by the Miles the Mole team from Havering Borough Council, who taught them all about air pollution and gave them tips on how they can play their part to reduce it. It was a very informative, entertaining presentation, which gave the children lots to think about.

## SCHOOL COUNCIL

Concordia Academy pupils recently voted to elect our school council for this academic year. After a period of election campaigning where pupils got to share their promises for the term if they were to assume office, children in each class cast their secret ballot votes. After a thorough process of counting and verifying votes, we are proud to announce our new school council! The following children have been elected after receiving the most votes in their respective classes.

### **Year 1:**

Lilac: Sofia T  
Sunflower: Selena  
Daffodil: Mina
