## CURRICULUM CORNER – YEAR 6

This week, Year 6 have been working on recreating famous art pictures as part of their Art and Design Photography unit. They were inspired by the Getty Museum Challenge that began during the Covid 19 lockdown period as a way to keep people interested in Art. Some of the pictures were challenging, however, the results are fantastic! Can you recreate a famous art piece?

## ENVIRONMENT WEEK

Next week, the children will be taking part in Environment Week. Each year group will have a focus ranging from melting ice caps to deforestation to the effects of food waste. Children will research their environmental issues and then create an art piece or report to share what they have learnt and what we can do to help reduce the issue.
