

**Friday 19 January 2024**

The Inclusion Team are holding another coffee morning on the 13th February – and this time (as promised!) they have an Educational Psychologist attending. Ms Pettigrew & Ms Mills really hope to see as many parents attend the coffee morning as possible, especially after the success of the last one. A letter with further details will follow.

Kind Regards

Mr Akhtar  
Headteacher

## CURRICULUM CORNER – RECEPTION

As part of our topic 'People Who Help Us', Reception have been reading Five Minutes Peace by Jill Murphy.

This book got us thinking about all the ways in which our parents and carers help us, Reception have been writing thank you cards for their family.

In the story, Laura the Elephant plays a tune for her mum, this inspired us to explore different musical instruments and to create tunes of our own.

This half term, Reception have started gymnastics in PE and have been exploring different ways to balance while crossing the beams.

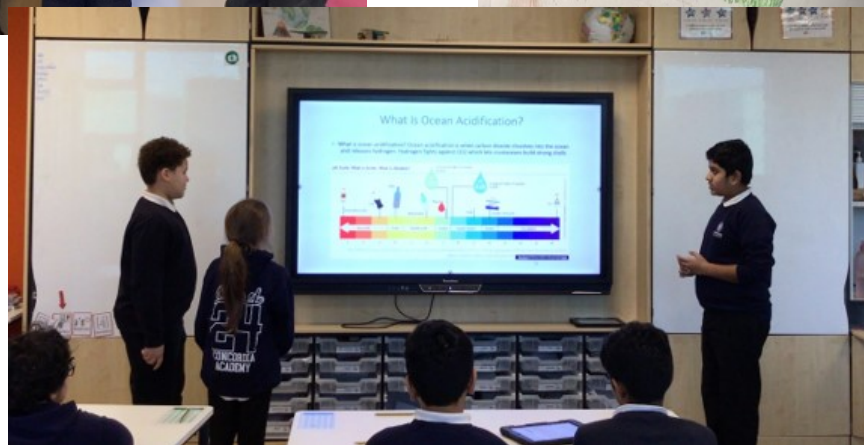

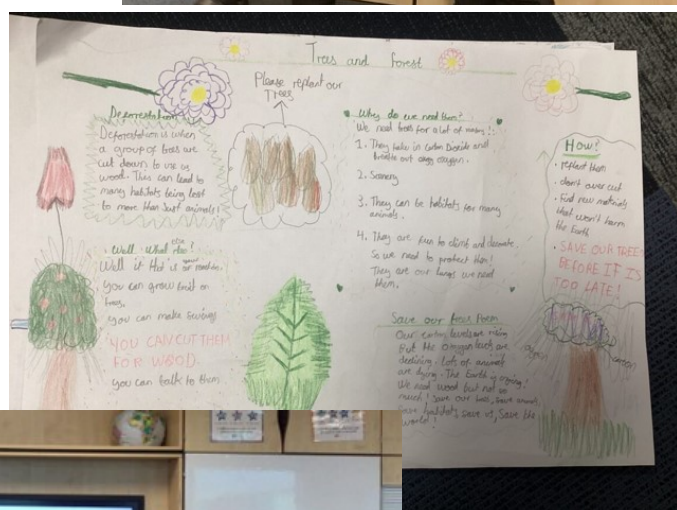

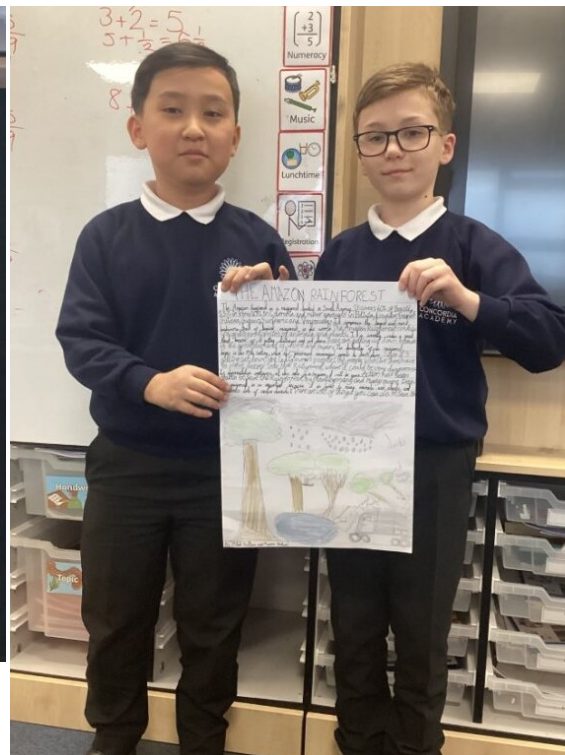

Throughout this week, Reception have also been practising our phonics blending skills by sounding out green words that have been hidden in the learning environment.

## ENVIRONMENT WEEK

Throughout the school, children have completed some fantastic learning, research and projects surrounding different environmental topics including melting ice caps, deforestation, plastic pollution, and ocean acidification. Here are examples of their excellent work.
