ALL CHILDREN IN SCHOOL UNIFORM EVERY DAY PLEASE!

## CURRICULUM CORNER – YEAR 2

Over the last few weeks in our Music lessons, we have been learning the melody for the song, 'Once a Man Fell in a Well'. This week we learnt how to follow notation to play it on a glockenspiel, we practised playing the melody and then some children performed it in front of the class!

During Literacy this week, we have been writing a non-chronological report about 'Creatures in the Water'. We researched creatures that live in and around water and we collated our facts to create an interesting report!

Creatures in the water!

Octopuses

Octopuses are creatures that have a large head and 8 useful arms. Octopuses can be large or tiny. Octopuses can be in lots of different colours such as pink, green and blue. They also have 3 hearts and 9 brains. Octopuses are commonly found in seas and oceans. Octopuses live in all of the world's oceans and make their homes out of rocks. A fun fact about octopuses is that they are invertebrates, carnivores and can squeeze into tiny spaces. Another fun fact is that octopuses have blue blood. They are invertebrates so this means octopuses have no back, bone, joints, the actually have no bones. They have 8 legs and that helps them swim in the water and when they push their legs up lots of black ink will come out and they do it.

Creatures in the water!

Octopuses

Octopuses look like they have eight long, beautiful arms and one giant, huge and big head. They also can change colour. Octopuses can live in all the beautiful, big oceans. A fun fact about octopuses is that they have 3 hearts and nine brains. This means that octopuses have one brain in the head and one in each arm.

## COMMUNITY— SCHOOL MEAL HOLIDAY SCHEME

Havering Council is continuing the School Meal Holiday Scheme to Havering residents by providing £15 per child, per week

If you have previously applied and are currently receiving payment for your children, you do not need to re-apply.

If you are already on the scheme, or are making a new claim, you can expect to receive your payment during the week that commences 19 February 2024.

### How to apply

You can apply for the first time or add additional children by using the 'Apply for the School Holiday Meal Scheme' link:

<https://havering-self.achieveservice.com/service/LBH-school-meal-scheme>

### Who is eligible to apply?

This scheme is for:

- school age children between the ages of 5 and 16
- Havering residents
- those in receipt of free school meals and pupil premium

Further details are also available on our Family Support Facebook page:
